

Every Can *and* Tab Counts!

SMALL things can make a **HUGE** difference. We hope you will join us as we **collect pop tabs and cans** for **OK Kids Korral**, a cost-free home for children battling cancer. The pop tabs and cans are recycled and the money is used to purchase **milk, eggs, cereal** and other kitchen **essentials** for the hundreds of people staying at the **Korral** while they **fight cancer**.

Please call us at 405.271.6552 to arrange delivery. Thank You!
